JBL Biotopol T

Product information

Healthy water The water conditioner Biotopol T converts tap water to bathing water which is physiologically suitable for reptiles and amphibians. It removes aggressive chlorine and chloramine and quickly absorbs toxic heavy metals. Conditioning the water protects the health of the reptile and amphibian skin with precious plant extracts and vitamin B. In addition it encourages a problem-free shedding of the skin.

Dosage:
 1 ml per 4 l water or 1 screw cap per 15 l.
