Product information

A piece of nature in the aquarium

Transform your aquarium into a biotope aquarium and give your creativity free rein. Design your aquarium according to your wishes and add visual effects with natural products. Experience nature with creativity.

Reproduction of biotopes

Aquarium and terrarium dwellers need a place to feel comfortable and secure. In their natural surroundings they choose roots or caves. These are used as hiding, spawning or sleeping places. Create a piece of genuine habitat for your aquarium and terrarium pets.

Decoration with a function

The aquarium decoration consists of natural materials and doesn't affect the water quality. Not dangerous to aquarium and terrarium dwellers and plants.

Tip: Rinse the decoration under running water before using it in the aquarium.
