

# JBL Tortoise shell care

Shell care for tortoises

Suitable for:

- Tortoise Shine: for the tortoise's shell care and pest control.
- Works effectively against ticks
- Easy to use: bathe the tortoise (lukewarm), dry, spread thin coat over the shell with cotton swab (soaked with JBL Tortoise Shine)
- Prevents brittle shell surface, non-toxic – but avoid contact with the animal's eyes.
- Package contents: shell care for tortoises, Tortoise Shine.

# JBL Tortoise shell care

## Product information

Tortoise shell care The JBL Tortoise Shine ensures a well-kept shell surface in tortoises. Helps prevent a brittle shell surface and preserve a well-groomed appearance in tortoises. The care product is non-toxic but avoid contact with the animals' eyes.

### Easy to use

Bathe the tortoise in lukewarm water (about 25 °C) and dry well. Soak cotton pad with Tortoise Shine and spread a thin coat over the shell.
