JBL CombiFix

Plant tongs for aquariums

Suitable for:

- ■ Professional work in aquariums without wet hands: plant tongs for fresh- and saltwater aquariums and terrariums

- ■ Dry arms: 46 cm long tongs for gripping dead plant leaves, sunken materials or dead fish

- ■ Best grip: slightly enlarged fluted tip for delicate work on plants

- ■ Easy cleaning: clean plastic tongs under running water

- ■ Package contents: 1 plant tongs for aquariums, sinking in water

JBL CombiFix

Product information

Every move is perfect
Dead plant leaves, small parts lost sunken in the ground or dead fish – With JBL's aquarium tools the removal of such things is effortless and you don't need to get wet.

A fluted tip gives you a perfect grip
Our customers' wishes are the company's top priority. With its production location in Germany JBL not only demonstrates social responsibility, but also ensures its high product quality. Its research department and its worldwide expeditions into the habitats of the animals ensure that JBL sets the highest standards in its product innovations.
