Product information

Hoses for the aquarium

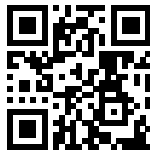

The operation of an aquarium frequently requires the use of different hoses. JBL provides aquarium hoses in premium quality and in different sizes and colours.

Premium quality

The JBL water hose is free of heavy metals. It is made of high-quality material and comes with a card to hang up.

Tip for use:

Hoses can sometimes go awry: they become slightly bent or lose their shape. Put the hose in hot water for 20 minutes. The hose will then be much more flexible and kink-free.
